

PHD ENERGY, SYSTEMS, TERRITORY AND CONSTRUCTION ENGINEERING

cordially invites you for the
International Lecture
on

SMART HISTORIC MATERIALS & HERITAGE INDIA

Pisa, Scuola di Ingegneria

DATE AND TIME: 13th December 2022, 10:30-12:30 room B24

14th December 2022, 14:00-16:00 room C44

Advanced techniques used in ancient India provided smart solutions to current climatic conditions and environmental forces. The various traditional materials and technologies can serve as input for the design of modern constructions.

Prof. Thirumalini Selvaraj

Associate Professor
CO2 Research and green Technologies Centre
Vellore Institute of Technology (VIT),
Vellore, India

Visiting Fellow Program 2022/23
Department of Civil and Industrial Engineering
University of Pisa
